TORI & RUBY

Tori is so horny, she feels her lady juices slipping down her thigh, the flimsy material of her lace panty soaked through. The way Ruby fondled her in the dressing room drove Tori crazy with lust, and she can't wait to strip Ruby down and suck her boobs and clit, riding her wet mouth until she cums all over her face.

My girlfriend Celene was boring, but not my two new fuck buddies!

So I was still in shock that these two girls were undressing right in front of me. They did not care and said "So what, we're best friends." I didn't mind at all. Now Chloe was in nothing but a pink lace bra with matching panties and trying to find a sleep shirt to put on and some pajama pants. Then I noticed Marianne removing her shirt as well.

She had on a nice sexy black bra with matching panties. I could feel my cock wanting to bust out of my jeans. Then Marianne finds a sleep shirt to put on and just keeps her panties on. So after this we are all sitting around talking and Chloe asks me about Celene and I don't really say much but we were still dating at the time. I then get a phone call from a buddy that was at the party we were just at, and asks if we are coming back. I told him they didn't want to. They had already started drinking and that Marianne wants him to come to where we are. He says OK. So I leave to go meet him to follow me because he doesn't know where the house is.

Once we arrive back, I tell him the girls are probably drunk. We walk in the camper and they are still drinking and having fun. So we all four sit and talk for a maybe and hour or so. Then Steve decides he needs to leave. So he walks out to his truck and Marianne goes with him and they talked for another couple of minutes. Once Marianne returns to the camper she goes and jumps on the bed and covers her head with a pillow and starts screaming. Chloe asks what's wrong? Marianne says she is sad.

'Why are you sad, Marianne?" She said because she kissed Steve. "Well," Chloe asks "Why are you sad then?" And Marianne states "Because I wanted to fuck him!" But now Steve has already left, so we bring Marianne back to the kitchen table where we were. We talk for a few minutes and Chloe comes to sit on my lap on the couch. I didn't think nothing about it because there was a load of laundry on the other side of the couch. So she sits on my lap facing me, straddling my legs.

We continue to talk and Chloe is texting on her phone. She's already tipsy. But then she drops her phone on the floor behind her. As she reaches back to get it she falls backwards. So I go a try to catch her so she doesn't hit her head. Once I do the next thing I know is I'm on top of Chloe and she just laughs because she fell. Now we are looking at each other and just start kissing.

I never would have thought I would be kissing

my best friend. Marianne is still at the table and can't believe her eyes, and is in shock just like me. She aske "What are y'all doing?"

We didn't stop kissing for a couple of minutes. After that I picked up Chloe and carried her to the bed. Once there it was on to more kissing. My cock was already hard as a rock at this point. I ran my hand up Chloe's shirt feeling her nice toned body and her perky tits and squeezing her hard nipples. This went on for a couple of minutes and she said "Well what about Celene?" I said "I don't care. I'm tired of Celene." Then Chloe asks "What if she finds out?" I simply said "I'm not going to tell her."

Anyway we start back kissing and I remove Chloe's shirt. Then she starts to undo my jeans and as she pulls them down, my hard cock springs out hitting her in the face. Marianne is still in the kitchen at this point and Chloe yells out her to come in here. She didn't want to at first but I guess she could hear what was going on and decided to come in. Chloe then starts stroking my hard dick and kissing and licking it. She then opens her mouth wide and shoves my cock down her throat. She is gagging and stroking it as she sucks it. I reach around and pull Chloe's pants down below her ass and feel her pussy start to get wet. I slide my fingers in and out of her tight Love hole making it wetter and wetter.

I then see Marianne standing at the door in her T-shirt and panties. She stands and watches us, and I can see her getting horny. She slowly runs her hand up and down her body feeling her breasts and then down her panties rubbing her pussy as Chloe deep throats my cock. I then pull Chloe up and lay her on her back as I remove her panties the rest of the way down to reveal her shaved pussy. Marianne then joins us on the bed and starts rubbing Chloe's body. I remove Marianne's shirt and bra to reveal her sweet suckable titties. Marianne then removes Chloe's bra and takes Marianne's panties off of her. I am now I bed with my two best friends who are both completely naked.

I still couldn't believe it. I've always been attracted to them but knew we were to close of friends to ever be anything more. But anyway. I spread Chloe's legs and get between them and kiss her again. She then pulls Marianne in also and we are all three kissing each other. I then begin to move down on her. I start kissing her neck and ears and slowly move to her chest and tease her nipples, and move to her stomach until my face is next to her pussy. It's soaking wet and smells so sweet. I begin softly licking her love slit, feeling her wetness and tasting her juices.

As I look up, I see Marianne about to sit on Chloe's face. She squats down and puts her pussy in Chloe's face and then begins licking her. This is so hot. Marianne is facing me getting her pussy eaten by Chloe as I'm eating Chloe's pussy. I bury my head into her, licking her clit and shoving my tongue into her fuck hole. As I go deeper, she goes deeper into Marianne and I can hear Marianne

screaming and moaning. Marianne grabs my head and shoves it into Chloe cause she knows Chloe will then do the same to her.

As I'm licking her clit, I can feel Chloe cumming. She hollers and then bends Marianne over farther so they are in 69ing now. I sit up and watch for a minute as they eat each other out. I'm hard as a rock still and move to put my cock in Marianne's face. She begins to suck it and deep throat it like Chloe did earlier. She then grabs my cock and put the head at Chloe's pussy. She guides it in for me. Chloe let's out a loud moan. I can feel her pussy juices flowing over my cock as Marianne gets off and starts kissing Chloe.

I'm still pounding Chloe hard and deep. She's so wet. She's moaning so loud and Marianne is sucking her titties now. As I'm pounding Chloe's pussy, I feel her body tensing up. Marianne starts to kiss me while I bang our best friend. I pump a few more times and Chloe let's loose screaming ''I'm cumming!!!! OMG I'm cumming!!!" I can feel her cumming on my cock.

I give her a break and bend Marianne over on all fours. I get behind her and slowly put my cock in giving her a tease as she lets out a soft moan. I pick up the pace and start to pound her sweet young pussy. Chloe sits up and kisses Marianne and kisses me telling me to pound my best friend harder. I do just that. Chloe then pulls my cock out and sucks Marianne's wetness off my cock. She thend puts it back into Marianne and I start pounding again. Chloe gets behind me and grabs my hips, pushing me into Marianne hard and deep.

Before I know it Marianne is squirting all over my cock screaming my name. I pull out and Chloe rubs Marianne's clit until another gush of wetness comes shooting out all over Chloe's face. I then kiss Chloe licking Marianne's juices off her face. At this time I can feel my balls getting tighter and I'm about to blow. The girls lay me down and Chloe stands above me and squats down on my cock. She takes her hand and guides it into her pussy taking control and rides my cock like the freak she is. She took every inch of it – all the way to my balls.

I grab Marianne and tell her to sit on my face. She squats down and I start working my tongue in her pussy and around her clit. I can feel her tensing again and Marianne squirts a load on my face as I bury my face in her deeper taking every bit of it. Chloe is still in control of my cock going faster and faster until she hollers out she's cumming again. At this time I knew I couldn't take it any longer; as Marianne just came on my face and Chloe on my cock. I felt it tense up and said I'm about to cum. They both told me to cum in her pussy – every drop of it. So I did just that. Chloe went up and down on my cock a few more times and that's all I needed. I let loose shot after shot of cum deep inside herpussy. She had drained me. With Marianne still on my face, Chloe slowly removed my cock and leaned back. Marianne leaned forward and licked the cum off my cock and from Chloe's pussy.

This was one of the best times I ever had with my two best friends and the only time this happened. After this I broke up with Celene. I still to this day don't know if she ever knew about this. But oh well!

ANGELA

I'm always asked what my favorite sex position is, and I always answer: all of them. I think there isn't one I haven't tried, but if I missed one, I'll do it next time around. Believe it or not, some of my favorite positions are with two guys. There's just something hot about being spit-roasted between a pair of big hard cocks. That may not be for everyone, but for me it's a whole lotta fun!

MIA MANAROTE

Mia started the action today as she makes Matt eat her sweet pussy. Then she reaches out for her man's extra-hard cock. Then she wraps her luscious lips around it and when she's done stuffing her mouth with it, he stuffs it into her pretty pussy and gives her a hard pounding. Just the way she likes it, and we like to see it!

COOZE TO CELEBRATE

I spent a recent birthday with Ellen, an ex-girlfriend I stayed friends with, and we'd decided to go out and celebrate with one of her friends I'll call Shelley. As the evening drew on, the girls started getting very frisky with me, and then with each other, but I had no complaints, though, because I was getting pretty horny!

I didn't realize then that Ellen had made arrangements for Shelley to spend the night with us, so it was a pleasant surprise when we went back to Ellen's place, and the girls went upstairs "To get ready." I followed them up a few minutes later and found them on the bed completely naked. At first, we just kissed and cuddled while I played with their pussies. It felt fantastic having the fingers of each hand in a different snatch, and I enjoyed the finger bang as much as I felt they did.

"The girls masturbated as I fucked and fingered them, and they came together"

As temperatures rose, Ellen pushed me onto my back and took my cock into her mouth and sucked it for a while. Soon after, Shelley joined in, and I loved having two girls swap my prick between their mouths while they massaged my balls, so it didn't take long before I shot my load and they lapped it all up.

They both wanted to get fucked, so they worked to get my cock hard again, and when I was ready and rampant, they bent over in front of me and wiggled their butts. I stroked my fingers over both pussies and licked their assholes before taking Ellen by the hips—stuffing my fat prick into her dripping hole. Ellen loves getting fucked when she's horny, and sex was always hot between us, but having Shelley in bed made it even better. I plowed into Ellen for several strokes while fingering Shelley's snatch, then pulled out and fucked Shelley for a while, and it was a special treat to feel new pussy around my cock—especially with my fingers dipping into Ellen. Shelley squeezed her cunt around me, and when I almost came, I switched back to Ellen who fucked me back so hard I knew I was going to blast. The girls masturbated as I fucked and fingered them from behind, and they came together—climaxing over my cock and hands.

Seconds later, I blew my load up Shelley's cunt and we all fell asleep in a big sweaty heap. When I woke up, Shelley had already gone, but Ellen did her best—which is pretty good – to end my birthday with another bang! ***"Treated to a Threesome" - Hawaii*** ♣

OCEAN'S TWO

I don't know how you do it, *Club*, but you get the absolute hottest babes to do the dirtiest things in your magazine, and I heartily thank you for it. I couldn't believe my eyes when I saw the stunning Aletta Ocean in the February issue—doubling my pleasure by doubling her fun with not one—but *two* well hung studs! I would have happily traded places with either one of those lucky guys for the chance to sink my cock into one of those lovely holes she was offering. Even better, is the fact that Aletta looks like she's really getting off on getting filled with two times the tubesteak—eagerly engulfing the meat no matter which hole it's delivered to. I only wish it were my cock she was pole dancing on, because I'd love to deliver a nice, hot load right up the chute. Thank heaven, for dirty girls! ***"Twice As Nice" - Pennsylvania***

After spending the whole week jacking off over Aletta Ocean, and all the action she took on in your magazine—I just had to write to say how fantastic I think she is. She has a beautiful face and a great body, with a Titanic set of titties. But, I really loved the way she spread her pussy lips wide open so we could see her juicy, pink cunt in all its glory before one of those guys filled her hot hole with his cock. This girl goes even further, and travels the extra mile with a second stud to fuck her ass as well! You gotta love hot Hungarian girls who are horny for as much dick as they can get, and Aletta certainly fits the bill. She keeps busy stuffing her mouth, pussy, and ass with man-meat, and obviously, one is not enough for this hungry honey. Anytime she's got another hole to fill—she can call me! ***"Waiting For Aletta" – Florida*** ♣

FILL HER UP

There's a girl who works at a gas station near me whom I have a total hard-on for—so much so, that it makes the high price of gas tolerable as long as I get a chance to see her. She's really friendly, and always has a smile for everyone. On top of that, she's got great tits, long legs, and the most perfect ass I have ever seen. Her long, black hair comes right down to her tush, and every time she turns away and gives me a look at it—I just want to pump her cunt…or her ass!

I wish it weren't a self-service station, because I fantasize about this babe bending over the car as she fills up my tank. I can practically see how the fabric would tighten and mold across her ass as it thrusts out—practically beckoning me. My hands are aching to grab hold of those pert, little globes in the tiny shorts she always wears in the summer. I dream of resting my cock in the crack between her buttcheeks, then rubbing it up and down—feeling the juices start to flow between her legs as I watch my cock weep its pre-cum onto her back. With one hand grabbing each cheek—I would pull them apart then let them wrap around my pulsing prick.

"With a dirty look in her eye, she'd pump me while shaking her booty in my face"

I long to tongue the warm, musty crevice of her ass from the dimple at the top of the crack to the bottom of her pussy lips. I want to taste her asshole—teasing the wrinkled opening, then darting my tongue into its depths. God, if she would let me push my cock up inside her tight anus while I fingered her snatch, I would think I'd died and gone to heaven! I can almost see my dick entering her brown-eye inch by inch—slowly probing and sinking into her tight tunnel. Imagine how incredible it would feel.

I'm so hard right now just thinking about her, that I'm gonna beat off, wishing I had my gas station gal by my side and willing to take care of me. With a dirty look in her eye, she'd grab my hose and pump it while shaking her bodacious booty in my face. "I'll do whatever you want, baby," she'd say. "I'm just here to service you, and give you what you need."

Now, I'm going to empty my balls, and then I think I'll go out and visit the gas station again. Maybe this time, I'll buy a lottery ticket since I keep hoping to get lucky! ***"Ass Station Service" - Vermont***

FEMME POWER

There I was, ready to jump all over my boyfriend's ass for objectifying women by reading *Club,* when I saw the article you had on "Women in Charge." I got a chance to read it, and was amazed at my ignorance. It's not the sex that bothers me. I had an entire lecture ready about how the girls were all taken advantage of, and he shouldn't contribute to the porn industry, but now I'm woman enough to admit that I'm wrong. The fact that all these women listed—though performers—are also involved as writers, producers, directors, and even company owners—lets me know they're in control, and know exactly what they're doing. I'm kind of proud that these ladies are not just working in porn; they're succeeding in life! Plus, every one of them is sexy as hell, so now I encourage my boyfriend to buy your magazine, and we read it together. You know, for the articles! ***"Supportive Sister" - Minnesota***

Geez, with Joanna Angel, the "Women in Charge" feature, and *Fighters* On The Set piece—you had so many strong, powerful women in the February issue, it's a good thing they're all so fucking hot, or I'd have been running the other way holding on protecting my balls! Yet, with these women, I'd like to put my balls and my cock in their hands—or mouths, or wherever *they* want—and I'm happy to put them in charge. I love that a girl with the best double d's and the greatest ass, can translate them into an award-winning movie, and that the 2011 "Best Porn Website" was born on a college campus—thanks to Joanna Angel "Taking Charge" as she explains in your interview. I love women, and that's why I read *Club*. This selection is particularly talented, sexy, and unique, and I like that you're pointing out the accomplishments, because they deserve the recognition. ***"Charge Me" - Louisiana***

SALES PITCH

I got friendly with this girl, Charlotte, while I was out of town at a sales conference where we'd run into each other at a few meetings. After discovering her hotel didn't have a bar, I invited her to mine for a drink. Several glasses later—martinis for me, wine for her—we were both pretty loose, and I was getting very horny, but there seemed to be no available guys around. I decided to set my sights on my sexy new friend, and after turning our conversation into a flirtation—I invited her up to my room to get friendlier. I guess we were on the same wavelength, because she tossed back the rest of her drink with a "Let's go" smile of agreement!

"I screamed with release as I fucked myself on her rigid digits, until I came hard"

We got on an empty elevator, and I pushed "19" for my floor, then pulled her into my arms for a kiss. Her lips were soft, and I tasted the fruit of her wine when she opened them to accept my probing tongue. Charlotte's hands roamed over my body, causing me to moan with desire. Then, she put her hand up my skirt to feel my ass as we kissed deeply. I was desperate to get my hands on her, and as soon as we got to my room, we undressed each other while fondling and licking each other's tits. Charlotte was well endowed—at least a C-cup—and I was thrilled to play with her funbags, instead of my own boring B's! We were so hot to fuck, that our panties were soaking, and when I saw my friend's gorgeous, shaven pussy, I dove right in—licking up her juices and sucking her clit, until I felt her shake with an orgasm.

It didn't take long for Charlotte to climb between my thighs and thrust her hot tongue into my now dripping cunt. It felt amazing when I felt her warm breath on my throbbing clit, and as she began to finger me—pushing two, then three fingers into my pussy—I screamed with release as I fucked myself on her rigid digits, until I came hard and kept cumming through a second orgasm.

We spent the next several hours sucking and fucking each other in every imaginable position—soaking the bed with our juices, time and time again. The last day of the conference started early in the morning, but we made the most of the final night, and now we hook up at every conference, making business our pleasure! ***"Working Woman" – Texas***

PUPPY LOVE

You can't beat a good tittie fuck for spunkability, and Spencer Scott looks like she'd know how to give a great one! I'd drop some oil all over those puppies to start with, so they were all slippery and heavy in my hands. As I do this, Spencer would tug on my prick, and her nipples would be like two hard erasers in my fingers as I gave them a pinch. I'd lean my thick meat into her cleavage, and she'd wrap her hot, slick tits around it, and move up and down its length. She'd tap my cock's eye with the tip of her tongue, every time she dipped while stroking my balls with her fingers on the way up. I'd try to hold back, but Spencer's too good, and pretty soon, she'd close her mouth over the end of my dick as I shot my load. I'd fill her throat with spunk, then pull out and rub my prick all over her rack as I spilled the last of my jizz on her chest—leaving her looking great! ***"Tittie City" – Tennessee***

Spencer Scott reminds me of a girl who used to haunt my wet dreams—leaving me to wake up on sheets so sticky I'd have to be pried off of them the next day. I was 19, with a low level corporate job, and my supervisor was the hottest thing I'd ever seen. I often fantasized about working late and fucking her against the filing cabinets. Sadly, I got no further than jacking off in the bathroom every five minutes. Seeing Spencer was a welcome blast from the past, and it inspired a few cum blasts of my own. Beating off over her, I felt like I was 19 again—only this time I actually got to see the object of my desire holding herself open for me, and demanding my cock. I'd still love the chance to actually sink my meat into that hot, wet pussy, but you've done me a solid with these photos. I may be older and wiser, but I guess I'm just as horny as ever! ***"Nostalgic Nutter" - Colorado***

A FUCK FAVOR

My buddy Keith needed a favor. He said that Felicitas, a friend of a friend of his, was fresh over the border from Mexico. She was looking for someone to show her the sights. He also said that she was about a thousand times more beautiful than any of the blonde American bimbos I hang with, and he was right. With her wild black hair and full, round tits, not to mention that tiny waist and a perfectly rounded ass, well, she had my dick swollen by the time she sat down in the booth at the bar just around the corner from her apartment.

I guess she was feeling the same way, because after only a couple of beers, I felt her toes touch me under the table. I could hardly believe my luck when I first felt her foot sliding up my thigh. "How you say…?" she began, the sole of her foot busily massaging my hardening cock. "Do American guys like to…leek poossy?"

Well, this American guy does, that's for sure, and in about two minutes we were at her place. Once there she lost no time stripping herself naked—no shy American bullshit for this girl—before getting down on her knees and reaching for my raging cock. The sight of her lush, brown body, coupled with the feel of her sensuous lips, was enough to make me groan.

Expertly she worked me over, her tongue lapping up and down the length of my shaft. She toyed with my swollen knob, flicking at the sensitive underside and poking her wet tongue into my hole. Her lush hair tickled my belly while I wound my fingers in her tresses, holding her close. Her red-tipped fingers worked on my balls while her mouth opened to take me in. I gasped at how warm and wet she felt. She sucked my big cock all the way into her mouth, swallowing me whole and then some. The feel of being buried deep in her throat, along with her lips tickling my balls, almost made me come right then.

But, much as I wanted to explode into her willing mouth, I also wanted a taste of that fine, dark pussy. I pulled away from her greedily slurping mouth and pressed her back onto the carpet before ripping off my pants and shirt. Damn, she was a sight, all spread-eagled on the floor, her delicious pussy covered with thick black hair. She grinned at me, too, then reached down with her fingers and spread those purple lips wide, exposing the tender pink flesh inside.

In an instant I had my face buried deep in her Mexican slit, inhaling her musky scent while my tongue reached for her swollen nubbin. She squirmed under me as I flicked at her fat clit, and began to moan when I tickled her moist hole with my fingers. Unlike some of the frigid Anglo girls I've known, Felicitas wasn't afraid to show how hot she was. Soon she was bucking under my mouth, letting out a stream of loud, unintelligible Spanish as she thrashed with lust.

Now I was fucking her hard with my fingers, and her words had melted into a high-pitched whine of desire. I held on tight as her hips gyrated, then pulled her

HER WILD BLACK HAIR AND FULL ROUND TITS, NOT TO MENTION THAT TINY WAIST AND A PERFECTLY ROUND ASS

close to me when she let out a scream and went rigid under me. Man, this girl knew how to come! She screeched and moaned, flailing her arms and screaming out my name. I lapped up her tasty girl-juice while she wailed like a banshee.

Luckily for me, she knew how to fuck, too. As soon as her moans died out, she pushed me flat on my back and crawled on top of me, holding my arms flat to the ground while she positioned her sopping wet pussy directly over my straining cock. I bucked up to meet her but she just grinned at me and kept her pussy-hole out of reach.

She lowered herself just enough that I could feel the silken inner folds of her pussy on my sensitive mushroom-shaped head. Mercilessly she teased me with her wet flesh, smiling when I strained to reach her. When she finally took pity on me and lowered herself onto my aching cock, I shoved up into her, groaning with need. She rode me like a horse, bucking up and down on my raging cock, her hair flying, her tits bouncing up and down.

I grabbed hold of her fat, dark nipples, squeezing as she humped me, her eyes squeezed shut. Her tight pussy grasped at my pumping cock, her muscles stroking me as she bobbed up and down. She started hollering out that rapid-fire Spanish again as she rode me. In just a few seconds, she was coming again. Her pussy clenched hard around my swollen cock.

With a groan, I unloaded into her willing pussy, my jizz like fire as it seared in my balls and then up through my shaft before finally spewing deep inside her. Her pussy latched on even tighter then, clenching around my spurting cock and practically sucking the juice right out of me. My shaft had never been milked half as good by any Anglo girl, and with one last thrust, I emptied the last of my cream inside my Mexican honey. With a satisfied smile, she draped herself on top of me, pressing those soft, sweaty tits against my chest.

I swear it wasn't two minutes later when I felt her fingers tickling my balls, and it was only a minute or two after that that my cock swelled inside her willing pussy. Later, after we'd fucked and sucked about a dozen more times, I remembered to call Keith and thank him.

"Helluva big favor, dude," I said. Keith just laughed. What a buddy.

STRAWBERRY PUSSY

You know, if there's one thing I've found in my 35 years, it's that pussies come in all shapes and sizes. They come chubby and thin-lipped, hairy and bald, gushy and barely moist. But my favorite thing about pussy is all the different flavors.

I'm serious. I've licked enough pussy to know that each and every one tastes different. There are the spicy ones, tangy and hot enough that you'd think you were gobbling up jalapeño salsa. Then there are the mellow ones, creamy and mild, with just a hint of vanilla or maybe nutmeg. Every once in a while, though, there's that special one, the pussy that drips with sugary nectar.

Penny, my latest cock-tease, has a pussy like that. Filled to overflowing with the sweetest-tasting girl-goo imaginable, I swear she tastes just like fresh strawberries.

I didn't know about her flavorful pussy when we first met, but I could tell from the beginning that she was one hot little number. Long and lean and very pretty, this little blonde was every guy's fantasy. Luckily for me she had a libido to match.

Hell, she wasn't working in my department for more than a week before we went at it in my office. In no time flat, I'd planted a wet kiss on her full, ripe lips and reached for her small but well-rounded titties. She wiggled appreciatively under my touch as

SHE SUCKED MY BIG COCK ALL THE WAY INTO HER MOUTH, SWALLOWING ME WHOLE, AND THEN SOME

I rolled her thick nipples in my fingers and massaged her tit-flesh.

But when I let my hand slither down lower under her mini-skirt, I thought she was going to come right there. Hot damn, she was one horny girl. Her panty-less pussy was already dripping wet. She cooed as I slid my fingers over her swollen little clitty and gasped as I fingered her moist slit.

She was obviously more than ready to fuck, but I wanted a taste of her juicy little pussy before we got down to the main course. With one hand, I cleared my desk, dumping everything to the floor before settling Penny's fine ass on the glass-covered surface. Spreading her legs wide, I pulled her to the edge of the desk and dived in head-first, reveling in my first taste of her sweet pussy.

I lapped up her thick, strawberry nectar, my tongue plowing her tight little slit before moving up to lick at her small but swollen clit. She moaned as I sucked her nubbin into my mouth, nibbling on it with my teeth, wanting to swallow more of her tasty flesh. I spread her thighs farther apart as I attacked her honeyed snatch. Soon she was thrashing on my desk, whimpering as I flicked at her succulent clitoris.

With a cry she plunged over the edge, more of her sweet juice gushing out as her clit quivered under my tongue and her legs vibrated under my fingers. I licked her until her trembling had stopped. Then, in one motion, I freed my raging cock and plowed it up to the hilt in her strawberry field.

She felt as good as she tasted. Tight and still spasming, her tight little pussy clamped down on my cock and sucked it in as I speared her again. Her skirt was up around her waist and her blouse was open, exposing her jiggling titties as I fucked that horny little vixen fast and furious, the way she obviously liked it. I raised her legs to my shoulders, and she moaned as my strokes became harder. With a practiced hand, she reached around to fondle my balls. I groaned as she stroked the sensitive sac.

Her pussy-hole grasped and squeezed on my pistoning cock as I plunged my way deep into her. In hardly any time at all, I felt my balls swell under her fingers and, with a cry of my own, I began to spew into her sweet depths. My balls slapped her tight ass as I pumped her full of my jizz, her pussy milking my spasming cock for all it was worth.

Being the horny little wench that she is, by the time my cock had finally emptied into her luscious pussy, she was grinning at me and fingering her obviously still-swollen clit. Seems like, in addition to having the tastiest pussy around, she also has one of the most insatiable.

That sure as hell didn't bother me. In no time at all, I'd swatted her fingers away and latched onto her syrupy nubbin again, eating her to another mind-blowing climax. Luckily, after she'd had her share of coming, she also returned the favor. I found, to my delight, that she was quite the little cocksucker.

Now, after a couple of months of non-stop licking, sucking, and fucking, I can say without a doubt that Penny's pussy wins the prize, hands down, as the sweetest ever. I, of course, spend plenty of time rewarding her for having such a winning pussy.

SEEMS LIKE, IN ADDITION TO HAVING THE TASTIEST PUSSY AROUND, SHE HAS ONE OF THE MOST INSATIABLE

Sure, I'll probably move on eventually. There are an awful lot of willing wenches out there. But for now, I'm happy just spending time, lots and lots of precious time, between her warm candy-coated thighs.

PAIGE ASHLEY

Paige says she's new to having her photo taken while she has sex. And to do it with two guys having their way with her. She says, she doesn't have the angles and expressions down yet. That's the hard part, the sex cums easy to her. We hope she continues to practice on both because it looks like she has the sex part down pat.

FAYE REAGAN

With the sultry good looks and sexy figure of a 1940s starlet, Faye is a star in her own right. Glamorous good looks, a body to slay for, hair you can only dream about, and freckles that could stretch to the moon. Oh, and did we forget an insatiable sexual appetite for men and women, single or in groups, she loves it all. And we love her.

My pussy needs all the meat it can handle
